DEDICATION

To Mr. Germain we would like to take this opportunity to show him some of our deep appreciation for his many contributions to our school. For many years he has been one of the outstanding band directors in the Northwest. We would like to express our thanks to Mr. Walter Germain, an inspiring and understanding friend of all the students, by dedicating this annual to him.

CUSTODIANS

Mr. Johnson, Mr. Neideigh, and Mr. McMann

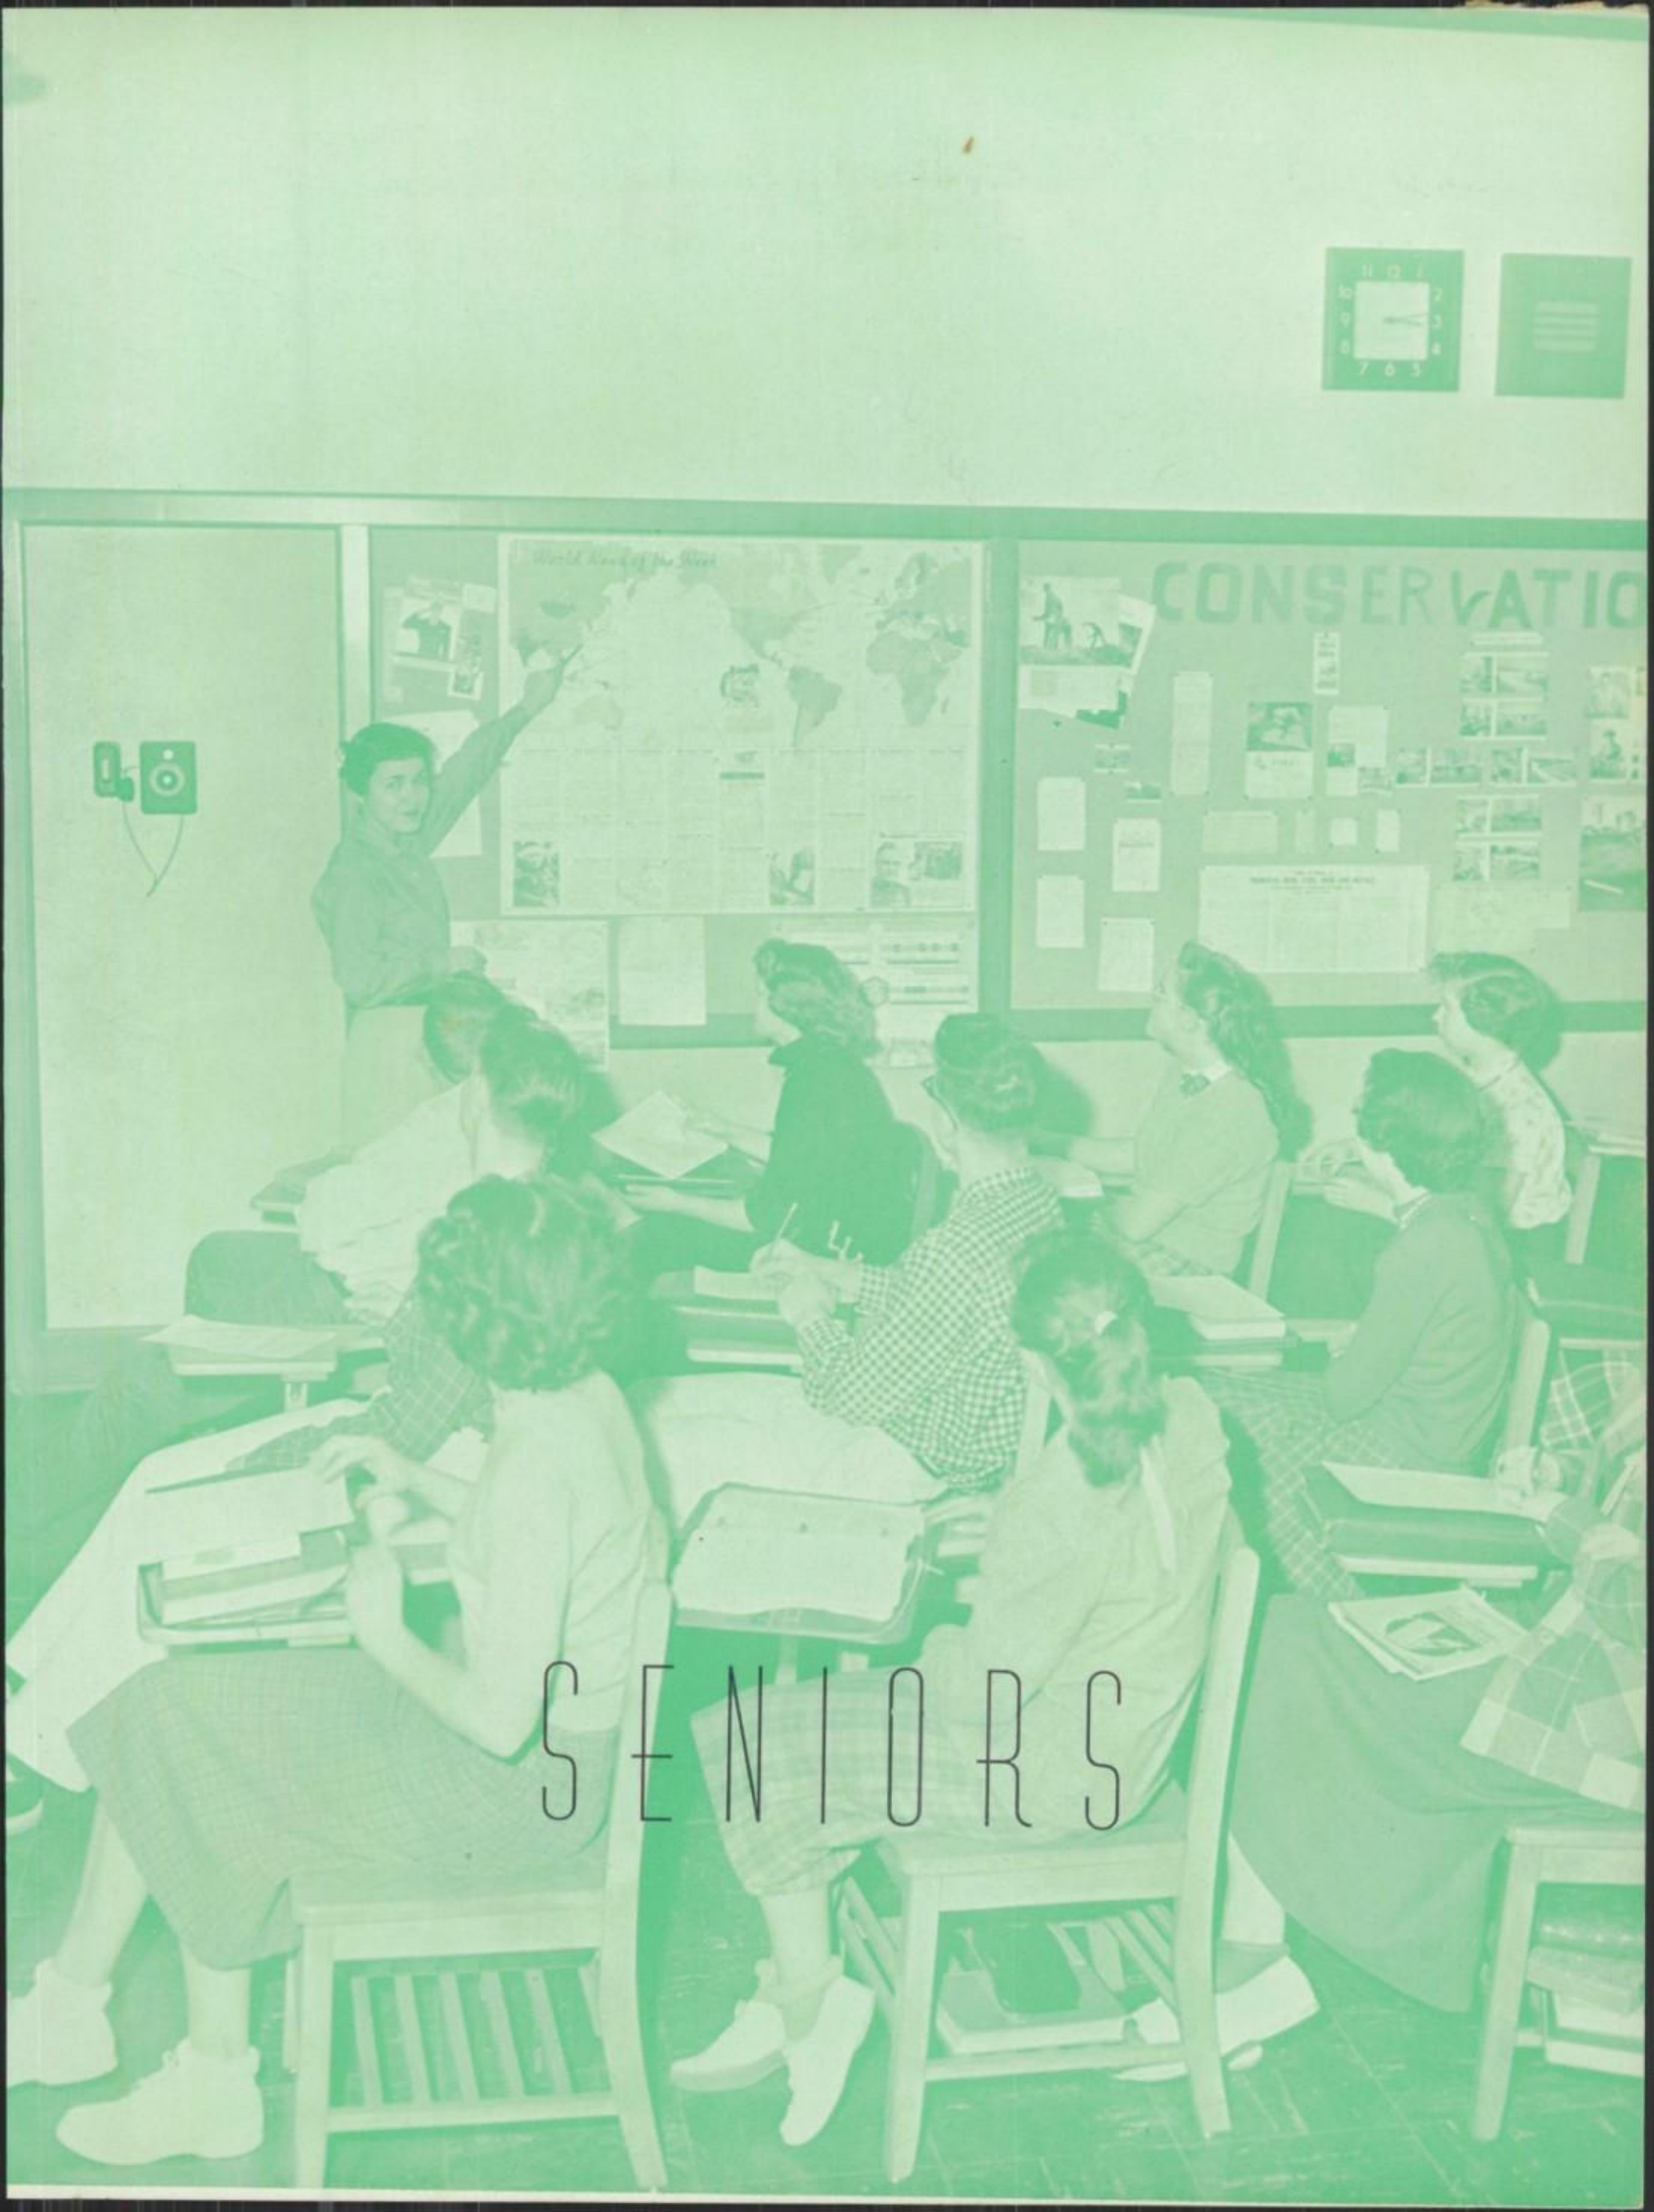
Left to right, 1st row: K. Gervais, D. Davenport, Treas. M. Barkas, M. Simpson, Sec. J. Gowan, A. Cox, J. Anderson. 2nd row: Veep D. Mobley, D. Smith, Pres. G. Tankersley, B. Bullard, T. Williams, B. Peterson.

STUDENT COUNCIL

The Student Council has had a very successful year under the leadership of President Gene Tankersley. It was composed of all student body officers, the class presidents and representatives, and Mr. Shellenbarger.

As in the past years, they sponsored noon movies and the interesting as well as educational national assemblies. In addition to this, the Student Council lowered the rate of the student body cards and had MHS handbooks published.

The MHS handbooks were especially welcomed by new students since they contained the Marshfield High School Constitution, customs, floor plan of the high school, the school song and yells, and general rules followed in our school.



SENIORS

Pat
Lots of luck to a swell
kid I ever knew. I
don't know you very
well. Bill Whitman
'56

Left to right, 1st row: Miss Strachan, Veep J. Seeglitz, Sec. K. Frostad, Treas. K. Chambers, P. Russell, Student Coun. Rep. D. Davenport, Mrs. Goude. 2nd row: Mr. Johnson, Sgt. at Arms C. Rood, Pres. T. Williams, Student Coun. Rep K. Gervais, Mr. Bunyard.

SENIORS

Out into the great world! Yes, the senior class of 1955 leaves high school behind. We shall always remember the fun and excitement of the past four years.

As freshmen back in 1951-52, we staged a talent show and were hard workers at selling concessions. We can always point with pride that we were the first class to enter high school without being "initiated."

As sophomores we had a class party, and sponsored a student body dance. The big achievement of the junior year was the Junior Prom. The decorations carried out the theme of "Mardi Gras." Other activities were the Freshman Mixer and the Junior-Senior dessert.

Our Senior year was an exceptionally successful one. An enjoyable talent show was one of the first major activities. After a great deal of careful preparation, our class staged a magnificent Senior Ball. Toward the close of the year came the Senior Breakfast and Picnic.

Baccalaureate was held, and then came the most important event of the year for the seniors, which was graduation.

We wish to express our sincere thanks to our advisors, Miss Strachan, Mrs. Goude, Mr. Bunyard and Mr. Johnson.

JUNIORS

The class of '56 has added another successful year to its school career. This has been our best year in MHS and we hope that next year will be just as eventful and as much fun.

We worked hard on our Junior Prom and it was quite successful. The theme of our prom was "Under the Sea," which we carried out by murals of undersea animals, driftwood and fish net decorations, and mobile fish.

Our popcorn machine was a tremendous success. We now have no regrets that we purchased the White Elephant.

We sponsored many things within the school like the Frosh Mixer, the March of Dimes contest, the Junior-Senior Dessert and the Junior Class Play Day.

SOPHOMORES

It's been fun being "upper under" classmen this year, but we're all looking forward to the time when we'll be real upper classmen. The year began slowly for the Sophomores with a few coke and ice cream concessions at football and basketball games, but we got into the swing of things by a colossal March of Dimes drive for which we had a doughnut sale. We fined Sophomores who violated any of the comical rules compiled by some of the students. We were second only to the Seniors in the amount of money collected. Our biggest event of the year was a gay carnival held in the Girls' Gym. There were concessions, games, fortune telling, and a queen was chosen at the carnival.

FRESHMEN

We won't be pea green freshmen much longer but studious sophomores. We, the class of '58, hope the sophomore year will have as much in store for us as this year had.

We'll never forget the things we did. We were welcomed to Marshfield High School with a dance given in our honor by the Juniors.

Led by President Larry Bick, our class has accomplished many things this year. The Frosh joined the annual "Beat North Bend" rally by creating what our class thought was one of the best floats in the parade. We also produced an entertaining talent show. We sold cokes at the football games and ice cream at basketball games.

MAHISCAN

This is the thirty-third year of Mahiscan publications of always-to-be-remembered incidents which occurred during the school year.

Under the leadership of Co-editors Patty Cochran and Judy Finell, and the advisor, Walter Paczesniak, the stuff has put forth their best efforts to construct another successful yearbook.

This annual will serve as your "key to golden memories," for in it are found all the details on this year's outstanding school events. The staff members hope that the pages of this book will help to renew your school-day memories in years to come.

MA-HI TIMES

The Ma-Hi Times, under the supervision of Mrs. Inez A. Limberg, once more concluded a progressive year in journalism. The paper was published every two weeks. It was an excellent example of student journalism. The circulation and advertising staff both underwent an improving modification.

The Ma-Hi Times was honored by receiving a very high rating in the Pacific University Harvey Scott Editorial Contest.

There was an editor for each page of the paper dealing with different topics. These journalists were: Editor-in-Chief Jeannine Seeglitz; Associate Editor Mary Elliott; News Editor Joanne Morrissey; Feature Editor Evelyn Cook; Sports Editor Richard Lee; Advertising Manager Joann Gowan; Business Manager Molly Burke; Circulation Manager Miladean Cox; and Exchange Manager Frances Queen.

Dear Pat
It's been nice knowing you here in R.C. Good luck and best wishes in your future years at Mooseheart (Pete)

Dear Pat,

Well, I can say it has been fun knowing you. In all our walking the halls, there was certainly a lot of variety, and it was so crazy. One minute we were half way running, and next minute we were going at a snail's pace. I don't think anyone will ever have to teach me to stop suddenly, turn about and walk back the other way. I also know, now, how to play detective. Seriously, though, I've had a lot of fun with you and as you said, maybe I will find a "tall, dark, and handsome."

Your friend,
Sylvia
